2. What we have done

1) SLH and API Development

a. Chair presented his paper on API use and development (Paper attached).

b. Mr. M. Jiang presented his Paper on API to be developed (Paper attached).

Taiwan and Japan will develop the New API based on the SLH reservation specification created by UN/CEFACT Forum. The new API will be dependent on Mobile interaction.

c. Chair talked by phone with Dr. WT Chang, Director, Advanced Research Institute, III, during the meeting on the MOU to make the use of Global-hub developed by III available to the SLH International Pilot Project, and could know that the matter could be talked between him and Dr. G. Gong, HoD of Taiwan. Dr. WT Chang will let Chair know the outcome.

2) Green Paper Project Proposal (Draft)

a. Discussed on Green Paper project proposal (draft) submitted recently to UN/CEFACT Bureau on Experience Program (Green Paper project proposal(draft) attached).

b. There was no objection to the drafted proposal. The WG will support the activities once it is approved by the Bureau.

3) Experience Program

a. Japanese high end experience program on Healthcare was shown by Mr. K. Hotta and discussed what we should do in the program.

b. Taiwanese experience program was shown as group tours by Mr. T. Tai (Siloam Travel Co.) and talked especially on the review system by their customers. He said the review system could be taken to the BLK Chain Project for further discussion(Paper attached).

c. The Bangladesh expert, Mr. J. Hasan, explained the Bangladesh medical tours, which could be considered experience programs of his country.

d. Bangladesh Pilgrim Tours

Mr. J. Hasan presented their work and issues on pilgrim tours, and these could be their typical Experience Programs (Paper attached).

4) DTI re-organized project and its development scheduling

The new development schedule was shown by Chair. And Chair suggested that the scope of the project could be widened, which will be discussed further among the members.

5) Management Team

Mr. G. Ko, Chair of TT&L WG, has had difficulty to keep the position, and Dr. Morris Hsiao, Vice Chair, had informed of his role change in his organization. The new management team was approved unanimously by the members of the WG for the coming two years. They are as in the following.
